

ABN 32 583 203 209

LOCAL RULES

Preferred lies of 30cm may be taken on fairways and areas mown to fairway height (The ball must be marked prior to taking preferred lie. Ball may be cleaned when lifted).

On greens if your ball lies on a bare patch or a bare patch interferes with your line of putt then relief may be taken.

Bare patches on fairways may be treated as GUR
(No relief is available from bare patches in the rough).

Earthworks associated with improvements to the course, must be treated as GUR.

Wheel ruts which interfere with your stance or lie of the ball may be treated as GUR. This applies through the green.

Relief is available for plugged balls through the green. If the ball lies in the rough it may be lifted, cleaned and dropped. (It must be dropped in the rough).

Where a drop zone is indicated by a sign in the ground players may drop within 2 club lengths of the sign.

The hazard on the right of the 13th hole extends to the access road. This applies for the entire length of the hazard.

The planted area behind the 18th green is the only area on the course defined as a garden. If your ball lands in this area it is compulsory to drop, not nearer the hole.

The club house, its artificial surrounds, the practice nets and the pavilion the first tee are all out of bounds areas.

If a ball strikes an overhead power line on the 12th or 13th holes, the ball must be replayed without penalty.
