## **Golf Etiquette**

1. Etiquette is the term given to courtesies extended to and from other golfers.
2. Before playing a stroke always make sure that no player is in your line of play or in the path of your swing.
3. Don't move, talk, or create a disturbance while another player is preparing for or hitting a shot.
4. Never stand behind the hole or another persons ball.
5. Don't play a shot until the players ahead are out of range.
6. Leave the putting green immediately you have finished the hole and mark your score card on the next tee.
7. Always walk quickly between shots and be ready to play when it is your turn.
8. If sand buckets are provided , carry one with you and be sure to fill any divot holes with sand. If sand buckets are not provided replace any divots (displaced turf) and pat down with your foot.
9. Always rake the bunkers smooth before you leave.
10. Always repair any pitch marks on the green with a pitch mark repair tool or a golf tee.
11. Never walk your buggies over the putting green or the teeing ground.

Take care when replacing the flag stick as greens are easily damaged.
